Quilt & Co Threadcount California Cabernet

A deep, ruby-red expression of California's diverse wine regions, this Cabernet is rich, full-bodied, and brimming with character. Dark berry fruit and hints of toasty oak unfold alongside smooth, structured tannins, creating a wine that's as versatile as it is indulgent. Perfect with a perfectly grilled steak, braised short ribs, or hearty pasta dishes, it's equally at home at a formal dinner or a relaxed evening with friends. **\$25**
